Grace Centers of Hope

Located in Pontiac, Michigan, Grace Centers of Hope is a non-profit, Christian organization committed to positively changing the lives of the unwanted, addicted, and homeless through the Gospel of Jesus Christ, personal accountability, life skills education, and work-related programs. The foundation of change is the local church which encourages residents to become strong in faith and independence while it lovingly promotes a sense of belonging within a community that truly can be called "home". Grace Centers of Hope is a committed community of believers, reaching out to individuals whose lives have been damaged by addictions and self-destructive behavior. Their recovery programs lead these individuals to reconciliation and restoration with God, their families, their community, and themselves. Grace Centers of Hope teaches and mentors their residents. Through love and accountability, Grace Centers of Hope helps their residents refocus their lives as they become productive members of society. By introducing their residents to the eternal claims of the Gospel, change begins from the inside out. Through a loving, Christian community, all centered around Grace Gospel Fellowship Church, they hope to provide hope, jobs, and stability for each of their residents for many years to come. Oakland HOPE

Oakland Hope is motivated by the love of God to alleviate hunger and empower lives. Suburban poverty is here in Oakland County and food insecurity has become its fastest-growing problem. Everyday, poverty-stricken families are forced to choose between basic necessities. HUNGER cannot wait. HOMELESSNESS cannot wait. UNEMPLOYMENT cannot wait. The current infrastructure of services available to low-income families is scattered throughout the county. Furthermore, as a faith-based organization located in Pontiac, Michigan, Oakland HOPE provides its patrons with something more than material assistance. They show them the love of Jesus Christ in everything they do, instilling the only true hope that never fails. Oakland HOPE runs a Thrift Store to support its Food Pantry. They are building from the success models of Macomb HOPE and Focus HOPE of Detroit. More information can be found at: <https://www.oaklandhope.org>.
